

NEW Perspex® Royals

You are now in the gracious presence of The Perspex® Royals product range..

Join in the revelry with this Royal Flush of six majestic Perspex® acrylic colours; rich, splendid and lustrous, with an aim to feed your imagination.

With a luxury silk texture and metallic shimmer effect, this befitting colour collection will be sure to receive your approval.

Proving to be right on trend, Perspex® Royals colours exhibit a chromatic effect producing a colour shift across the surface as the viewing angle changes.

Perspex® Royals has all the excellent physical properties of our standard cell cast acrylic sheet. All 6 regal colours were specifically developed with the retail industry in mind to add luxury to product displays looking for that extra special touch.
